

## **FOR IMMEDIATE RELEASE**

### **NO KINGS RALLY TO TAKE PLACE IN SEMINOLE COUNTY ON JUNE 14**

**Lake Mary, FL** — On Saturday, June 14 at 10:00 a.m., Seismic Resistance will lead a local **“No Kings Rally”** at the corner of SR46A and International Parkway in Lake Mary—one of hundreds of coordinated actions taking place across the country that day.

The rally is rooted in the founding principle of the United States: resistance to monarchy. “Our nation was born in defiance of kings—whether royal, tyrannical, or oligarchic,” said the President of Seismic Resistance. “Today, we stand on the edge of witnessing a dangerous consolidation of all three in one man: Donald Trump.”

Since its founding just six weeks ago, Seismic Resistance has grown rapidly to over 700 members. The group formed to give voice and support to those who refuse to remain silent in the face of rising authoritarianism, economic injustice, and attacks on democratic norms.

“Tyranny thrives on fear and silence,” the group’s leader continued. “We are marching to show that people from all walks of life—young and old, Black and White, American-born and immigrant—will not be quiet as our rights, our wages, and our safety nets are threatened.”

The event is open to the public. All who believe in liberty, equality, and democracy are encouraged to attend.
